Writing

Here's my review for a film "Cruella".

This film was very interesting and senceful for me because it tells us a story about devil girl from "child" books. I was surprised when I saw how creatures of that film made Cruella (the main character) look differ from Cruella de Ville from Disney's old serial. In a new version of that film she made me feel like she's just a good girl with troubles. Her talent in ~~creating~~ designing is stanning! Everything she did is motivating.

I was crying at the end of the film, because I saw how hard to Cruella it was to understand who is her real mother and to make that women suffer from her own actions. Of course, I believed badly in a Cruella's friendship with the boys she met when she was just a child.

I recommend this film to everybody, because it's both motivating and sad, funny and awful at the same time. It's worth watching!
