Writing

I have watched many movies, ~~beco~~ mostly it was science fiction ones, because I'm interested in it. Recently I have seen the movie called "The spiderman: no way to home". It really suprised me, but I enjoyed it. I think, that I even would recommend someone to watch it.

So, main characters are Peter Parker and MJ. They are teenagers who have super-power: Peter is a spiderman and MJ's power is her brain. She is very clever.

Things that suprised me... Well, I was shoked when I saw other supermen who became from multiuniversal. I didn't expect it. And at the end of the movie I started crying. ~~MJ~~ Peter saved the world making MJ to forget him. I didn't want to believe that it was true.

Although, they are some sad parts in the movie. I like it, its plot and characters are fantastic. Also, this movie educates people that sometimes you have to do something that you don't want, because it's better for you.

Оценочные баллы: максимальный – 10 баллов; фактический – 8 баллов.
